WISTER LIBRARY ANNEX TO OPEN AROUND THANKSGIVING

The Wister Library Annex, according to Brother Thomas Warner, F.S.C., director of library services, is scheduled to open the week of November 19, 1973 and will provide the following services:

1) A quiet, peaceful area for reading and study, seating over two hundred people. Most of the reader stations will be in individual carrels. Each carrel will have individual lighting and electrical outlets to provide for such educational media as cassettes, slide and film projectors and other audio-visual implementation. Some of the carrels will be constructed as to facilitate conversion to such refinements as dial access to filmed or computerized presentations or lessons. There will also be some traditional multi-seating tables, informal reading areas and a small number of group study rooms.

2) A more convenient location for the now almost inaccessible reserve book operation. There may be some changes in the operation of this function since a subcommittee of the Library is now preparing a report on the rationale, general policies and suggested procedures in this area.

3) A collection of basic reference works such as encyclopedias, dictionaries, handbooks, atlases and other immediate consultation tools useful to the student.

4) A growing collection of useful and necessary books which should be retained but for which very infrequent need is anticipated. (Storage of these items--as opposed to the proposals for the move of a specific area of the library, e.g. the literature section--was found to be considerably less strain on the library budget.) These items will be tagged in the card catalog and obtainable at the charging desk in the Annex. It will not be a static collection, since provision has been made to return items to the active collection in the main library as need arises.

The proposed Annex hours are:

Monday through Friday:	3:00 A.M. - 11:00 P.M.
Saturday and Sunday:	6:00 P.M. - 11:00 P.M.

Modifications to this schedule will be made in accordance with demonstrable need, seasonal factors such as pre-exam and exam weeks, and the ever-present personnel and budgetary considerations.

OFFICE OF THE PRESIDENT

CHRISTIAN BROTHERS SCHOLARSHIPS

In view of another annual commitment by the Christian Brothers Community for a grant of some \$200,000 to the College, Brother Daniel Burke, F.S.C., Ph.D., President of La Salle, has indicated that the academic scholarships previously known as Principal Scholarships and a new group of scholarships (with financial need as a main criteria) would in the future be called the Christian Brothers scholarships and grants.

OFFICE OF THE VICE PRESIDENT, ACADEMIC AFFAIRS

ACADEMIC CONVOCATION

Some 430 honor students will participate in this year's Academic Convocation at 3:30 P.M. Sunday, October 21, in the College Union Theatre.

Honorary Doctor of Laws degrees will be conferred on Pennsylvania Appellate Court Judge Genevieve Blatt and professor-author Dr. Gordon Zahn. Sponsors will be Dr. Philip E. McGovern, assistant professor political science for Judge Blatt and Dr. Richard C. Leonard, associate professor sociology for Dr. Zahn.

The procession for the Convocation will form at 3:00 P.M. It is requested that those participating report to the following locations for vesting by 2:45:

Board of Trustees and honorary degree recipients to the Presidential Suite; administrators to the Music Room; chairman of departments and full professors to CU 301; associate professors to CU 310; assistant professors to CU 307; and instructors, lecturers, and librarians to CU 312.

FACULTY MEETING

The next faculty meeting is Wednesday, November 7 at 7:30 P.M. in Olney 100, during which an open forum with the President and Vice Presidents will be held.

FACULTY WORKSHOP

Minutes of the September 4 Faculty Workshop are now available in the Office of the Academic Vice President.

FACULTY SELF-SUPPORTING RECEPTIONS

The next self-supporting reception for faculty will be on Thursday, October 25 at 3:30 P.M. in the Presidential Suite.

EXCERPTS FROM COLLEGE AND UNIVERSITY REPORTS

NUMBER 429 AUGUST 13, 1973

FINAL PHASE IV RULES EXEMPT TUITION AND CHARGES OF COLLEGES

The Cost of Living Council has issued final regulations for Phase IV of the economic stabilization program. As was true in the proposed rules, tuition and other charges of colleges will be exempt from controls. The Regulations were published at 38 Federal Register 21592, August 9, 1973.

10% INCREASE IN MONTHLY GI EDUCATIONAL ALLOWANCES ASKED

Monthly educational assistance rates provided for veterans under the GI Bill would be increased by 10% under a measure introduced by Rep. William Ketchum, H.R. 9891.

WOMEN'S EDUCATION COUNCIL PROPOSED BY PATTEN

A bill that would establish a Council on Women's Education Programs in the Office of Education to provide for educational equity for women in the U.S., H.R. 9787, has been introduced by Rep. Edward Patten.

CAGERS DENIED INJUNCTION AGAINST NCAA GRADE REQUIREMENT

Several basketball players from Centenary College have been denied a preliminary injunction by the federal district court of the Western District of Louisiana that would have prohibited the National Collegiate Athletic Association from imposing its 1.6 grade-point average requirement which makes college athletes ineligible to participate in intercollegiate athletics unless they meet the standard. The court also dismissed the players' claim that the rule denied them equal protection under the U.S. Constitution.

POLICE OFFICER TRAINING MEASURE PROPOSED IN HOUSE

The Administrator of the Law Enforcement Assistance Administration would be authorized to make payments to police officers for law enforcement training courses at colleges and universities, under a bill introduced by Rep. Charles Whalen as H.R. 9789.

Grants up to \$12,000 for any one year could be awarded to a police officer for participating in a training program. Those wanting to take training would have to file an application with their state or local law enforcement agencies.

NIXON VETOES MINIMUM WAGE BILL

President Nixon has vetoed H.R. 7935, the measure to increase minimum wages and provide a subminimum rate for students working for their schools.

ONE-YEAR RESIDENCY REQUIREMENT FOR HAWAII IN-STATE TUITION RATES UPHELD

The constitutionality of the University of Hawaii's one-year durational residency requirement as a prerequisite to qualifying as a resident for tuition and admission purposes was upheld by the federal district court in Hawaii.

The court said the matter was settled by an earlier decision involving a similar regulation at the University of Minnesota, which was recently reaffirmed by the United States Supreme Court.

NUMBER 434 SEPTEMBER 17, 1973

NSF GRADUATE FELLOWSHIP APPLICATIONS DUE IN NOVEMBER

Students who are at or near the beginning of their graduate study and are interested in applying for National Science Foundation graduate fellowships in science must submit applications by November 26, 1973, the Foundation announced.

Graduate fellowship stipends will be \$3,600 for a 12-month tenure, with no dependency allowances. Fellowships will be awarded for study or work leading toward a master's or doctoral degree in the mathematical, physical, medical, biological, engineering, and social sciences.

NLRB EXCLUDES DEPARTMENT CHAIRMEN FROM BARGAINING UNIT

The National Labor Relations Board has ruled that department chairmen at Fairleigh Dickinson University are not eligible to be included in the collective bargaining unit with faculty because they have a substantial responsibility for the hiring of new faculty members and the retention of faculty members who have not yet attained tenure. Previous decisions made by the Board concerning department chairmen in faculty bargaining were always in favor of including them in faculty units.

...AS WELL AS PROGRAM DIRECTORS

The Board also ruled that program directors at Loretto Heights College, either full-or part-time, should not be included in a collective bargaining unit with faculty members because their duties at the school are those of supervisors who are exempt from the National Labor Relations Act.

STIPEND FOR SECOND YEAR OF DOCTORAL PROGRAM RULED SCHOLARSHIP

The Internal Revenue Service has ruled that stipends paid during the second year of a doctoral degree program in teaching, which required one year of teaching and one year of dissertation work, were excludable from a candidate's gross income as a scholarship because they were paid with no strings attached, but stipends paid for teaching at an associated college were not scholarships since they were paid for services rendered.

COMPUTER CENTER

The Computer Center replaced its IBM 360/22 (32K memory) with an IBM 360/30 (96K memory) in June. The larger memory makes possible simultaneous processing of academic and administrative work, and may allow use of statistical packages that were not usable before. Faculty members who wish to use the computer for class work or research should call Dan Callahan at ext. 283.

Although the Center cannot provide programming assistance as such, it is prepared to assist the faculty in using or learning to use the computer. It might be noted that there is a growing number of students who have taken computer courses and can program. These students could possibly assist the faculty in programming efforts.

TKE BLOOD DRIVE

Tau Kappa Epsilon will hold its Annual Blood Drive 10:00 A.M. to 3:00 P.M. on Friday, November 2 in the College Union Ballroom. Donors will be recruited in the Union Lobby on October 30, 31, and November 1.

Blood given by one member of a family, guarantees blood bank coverage to all members of that family for a one year period. During the last fiscal year one hundred and eighty-eight pints of blood were collected at La Salle and twenty-five students, faculty or staff members made use of this coverage.

All departments are requested to examine their files for appropriate materials to be sent to the archives of the college, in care of Brother James Conaghan, F.S.C., college representative for special affairs. This material is to be sent to Public Affairs in Benilde Hall.
